Cordless Clamp Pincer

Perfect for fast, uniform clamp assembly!

Features:

- Efficient, uniform and repeatable assembly
- Cordless installation tool for Ear Clamps
- Lightweight, ergonomic design for easy handling
- LED – display to indicate battery capacity and service interval

- Closing force range CP 01: 1000 N – 4000 N**
- Closing force range CP02: 3800 N – 7500 N**
- External dimensions CP 01/02: ca. 285 x 56 x 20 mm
- Weight (without pincer head): ca 1100 g (2.4 lbs)
- Closing time: ca. 2 sec.

**Closing force can be determined via: CAL 01, only with Software Generation V2.2 or higher
-SKM 01 resp. SKM 02

The cordless clamp pincers CP 01 and 02 offer good accuracy and ergonomic handling for fast, uniform assembly of Oetiker ear clamp types.

The advantage of these closing tools is the cordless design and hence the unrestricted, free motion during clamp assembly.

The hydraulic accumulator unit incorporates an automatic retraction function which returns the

jaws to their open position when the selected maximum closing force is reached.

The unit is also equipped with a special brake which stops jaw closure when the trigger is released.

The pincer head can be smoothly rotated 360° around the longitudinal axis in order to gain better access to tight corners and other hard-to-reach areas.

Pincer heads

Jaw width (mm)	10,2	10,5
Open gap (mm)	13,2	13,7
Part No.	13900659	13900662

Pincer types

CP 01	Set-EU*	13900650
CP 01	Set-AUS*	13900651
CP 01	Set-US*	13900652
CP 01	Set-UK*	13900653
CP 02	Set-EU*	13900654
CP 02	Set-AUS*	13900655
CP 02	Set-US*	13900656
CP 02	Set-UK*	13900657

* Referring to local electrical supply voltage and plug configuration of the charger

Delivery scope OETIKER CP 01 & 02

Cordless Clamp Pincer CP 01 or CP 02
complete with pincer head and accumulator
Special screwdriver (to adjust closing force)
Operating Instructions (multi-lingual document)
Charger (compatible to local electrical supply
voltage / plug configuration)
Transport case

Optional accessories and spare parts

Accumulator for CP 01/CP 02	#14000972
Screwdriver	#14000973
