

# Engineering Solutions

## Snap-In Cordgrips

*Perfect for Industrial Power Supplies, Packaging Equipment, Control Panels, Conveyor Assembly Automation Equipment, Power Distribution Equipment and more!*

**Provides protection for wires or cables where strain relief protection is needed.**

### Features:

- + One-piece solution for smoother wire routing
- + Easy to install / No tools required
- + Available in 13 mounting hole sizes
- + Sizes cover cable diameter ranges of 1.7 mm to 39.6 mm
- + Smooth, rounded interior edges for ease of insulation
- + Polyamide 6/6 nylon construction
- + Buna N Sealing glands
- + Working temperature range of -40 C to +100 C
- + UL Approved / Pending CSA Approval
- + “Ratchet design” of sealing nut assembly provides superior anti-vibration protection and ensures a firm grip on the cable
- + Unique locking fingers for panel ranges from 1.6 mm – 3.2 mm
- + One-piece solution for smoother wire routing
