Caps & Plugs

Perfect Closures for your Application Openings

Caps & Plugs

EFC International has one of the largest selections of caps and plugs in the industry. Please visit our web site at www.efc-capsandplugs.com to select the style and size for your application. EFC also offers the caps and plugs in a variety of materials, metal and plastics.

EFC offers caps and plugs in a multitude of shapes, materials, styles, and colors to meet even the most challenging of applications. Samples available upon request.
