

HVAC CLIP

The 'One Size Fits All Solution' for the HVAC Industry!

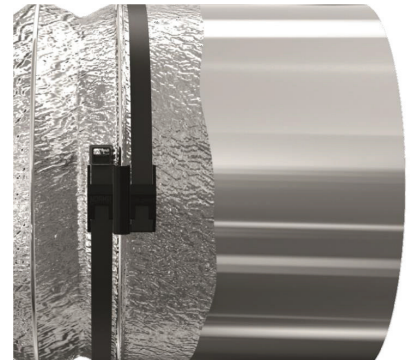

EFC is pleased to introduce Norma's patented one clip. The clip will replace 132 different hose clamps currently being installed in the HVAC market. The NormaFix HVAC Clip is a one size fits all solution that allows manufacturers and distributors to stock a single product while providing solutions to a broad list of clamping applications.

This new clip can be used to replace conventional bridge clamps in the manufacturing and installation process. The clip is used in conjunction with a cable tie.

FEATURES & BENEFITS

- ▶ Flexible and lightweight alternative to spiral hose clamps
- ▶ Suitable for clockwise and counter clockwise spiral hoses
- ▶ Simple installation by hand, no special tools required
- ▶ Strong clamping force around the hose
- ▶ Material Polyamide 6.6 is very durable and withstands numerous external influences
- ▶ No large stocks
