SWEDISH-STYLE WORM DRIVE HOSE CLAMPS

For optimum performance in critical applications, specify EFC's IFE brand Swedish-style worm drive hose clamps. These premium clamps are counted on around the world - on land and sea for their strength, dependability and long service life.

FEATURES & BENEFITS

- 1-piece tubular housing (nonwelded) for maximum strength
- Smooth I.D. reduces hose damage and maximizes conversion of torque to clamping force
- Rolled edges protect hose from abrasion
- All AISI 316 stainless steel (band, housing and screw) for marine applications
- The choice of major yacht-makers in North America, Europe and Asia
- 2 band widths (10mm,12mm) and a wide range of diameters
